

or the short-cut method. Such information shall be filed with the beneficiary's return for the year in which the tax under section 668(a)(3) is imposed.

(2) *Failure to furnish.* If the beneficiary fails to furnish the information required by this paragraph for any prior year involved in the exact method, he may not use such method and the tax computed under paragraph (c) of § 1.669(b)-1A (the short-cut method) shall be deemed to be the amount of partial tax imposed by section 668(a)(3). See, however, paragraph (b) of this section for an exception to this rule where the short-cut method is not permitted. If he cannot furnish the information required for a prior year involved in the short-cut method, such year will be recomputed on the basis of the best information available.

(b) *Exception.* If, by reason of § 1.669(b)-1A(e), the beneficiary may not compute the partial tax on the capital gain distribution under § 1.669(b)-1A(c) (the short-cut method), the provisions of subparagraph (2) of paragraph (a) of this section shall not apply. In such case, if the beneficiary fails to provide the information required by § 1.668(b)-4A(a)(3) for any prior taxable year, the district director shall, by utilizing whatever information is available to him (including information supplied by the beneficiary), determine the beneficiary's income and related expenses for such prior taxable year.

[T.D. 7204, 37 FR 17156, Aug. 25, 1972]

§ 1.669(d)-1A Total taxes deemed distributed.

(a) If a capital gain distribution is deemed under § 1.669(a)-1A to be distributed on the last day of a preceding taxable year and the amount is not less than the undistributed capital gain for such preceding taxable year, then an additional amount equal to the "taxes imposed on the trust attributable to the undistributed capital gain" (as defined in § 1.665(d)-1A(c)) for such preceding taxable year is also deemed to have been properly distributed. For example, assume a trust has no distributable net income and has undistributed capital gain of \$18,010 for the taxable year 1974. The taxes imposed on the trust attributable to the undistributed

capital gain are \$2,190. During the taxable year 1977, a capital gain distribution of \$18,010 is made to the beneficiary which is deemed under § 1.669(a)-1A to have been distributed on the last day of 1974. The 1977 capital gain distribution is not less than the 1974 undistributed capital gain. Accordingly, taxes of \$2,190 imposed on the trust attributable to the undistributed capital gain for 1974 are also deemed to have been distributed on the last day of 1974. Thus, a total of \$20,200 will be deemed to have been distributed on the last day of 1974.

(b) For the purpose of paragraph (a) of this section, the undistributed capital gain of any preceding taxable year and the taxes imposed on the trust for such preceding taxable year attributable to such undistributed capital gain are computed after taking into account any capital gain distributions of taxable years intervening between such preceding taxable year and the taxable year. See paragraph (c) of § 1.669(a)-1A.

[T.D. 7204, 37 FR 17156, Aug. 25, 1972]

§ 1.669(e)-1A Pro rata portion of taxes deemed distributed.

(a) If a capital gain distribution is deemed under § 1.669(a)-1A to be distributed on the last day of a preceding taxable year and the amount is less than the undistributed capital gain for such preceding taxable year, then an additional amount is also deemed to have been properly distributed. The additional amount is equal to the "taxes imposed on the trust attributable to the undistributed capital gain" (as defined in § 1.665(d)-1A(c)) for such preceding taxable year, multiplied by a fraction, the numerator of which is the amount of the capital gain distribution allocated to such preceding taxable year and the denominator of which is the undistributed capital gain for such preceding taxable year. See paragraph (b) of example 1 and paragraphs (c) and (f) of example 2 in § 1.669(e)-2A for illustrations of this paragraph.

(b) For the purpose of paragraph (a) of this section, the undistributed capital gain of any preceding taxable year and the taxes imposed on the trust for such preceding taxable year attributable to such undistributed capital
